

# Illustration of the experimental design and procedure of study I

Baseline  
(Day 1)

12 runs (total)

Random course  
sequence for each  
participant

Acquisition  
(Day 2,3 and 4)

Interleaved

Day 2

Day 3

Day 4

Blocked

Day 2

Day 3

Day 4

72 h  
retention  
period

Retention  
(Day 5)

12 runs (total)

Random course  
sequence for each  
participant

Time
